Customer Reviews

Left with a babysitter for the first time, Brother and Sister Bear are certain they won't like her. But with her bag of tricks and comforting way of tucking them in, Mrs. Grizzle wins them over.

Stan and Jan Berenstain were already successful cartoonists for magazines and adult humor books when they began writing children's books. The first story starring the bear family, The Big Honey Hunt, appeared in 1962. Since then, more than 360 Berenstain Bears books have been published, and more than 300 million copies have been sold. What began as an idea sparked by their young sons' love of reading has become one of the best-selling children's book series ever.

As described.

I just love the Berenstain Bears!

My grandson age 3 1/2 loves this series

Granddaughter liked this book and the service was quick.

Always loved these as a child. They worked out great as a gift, thanks!

I like this book because I like Mrs. Drizzle and it reminded me of my babysitter. I liked the pictures and the games the cubs played while their parents were at their meeting.
