# Get Smart: How To Think And Act Like The Most Successful And Highest-Paid People In Every Field

## Get Smart!

How to Think and Act Like the  
Most Successful and Highest-Paid  
People in Every Field

**Brian Tracy**

Best-selling author of *Fat That Frog!*

## Synopsis

An accessible guide to training the brain to work effortlessly in your favor - from the international best-selling author of the productivity classic *Eat That Frog*. In business and in life, you must be smart to get ahead. As things shift and change quickly, you need to tap in to your brain - learn how to think smartly - in order to make sure that you maximize your opportunities. In *Get Smart!*, internationally acclaimed business guru, speaker, author, and productivity expert Brian Tracy has laid the groundwork on how to easily reconfigure your negative thinking patterns and habits and reprogram your brain to achieve its maximum potential. In this invaluable book, listeners will encounter: The latest brain research on how to think in order to get results Practical, easy-to-understand advice and immediately actionable steps and exercises How to train the brain to think correctly and help to create a brilliant future Tapping in to the power of positive thinking How to harness the true potential of the human mind And so much more Whether your goal is making more sales, coming up with better business plans, or simply finding ways to make extra money or have more residual income, this book will serve as your personal express elevator going straight to the top!

## Customer Reviews

Our mind is a powerful barometer of our mood, what we say and how we act. This book is another one of those helpful guides to building our thought processes by practicing key disciplines. Brian's work is easy to comprehend and apply.

This book is great information and guide for anyone wanting to advance their life, profession, career, health, wealth and more.

The book is practical advice to get me on my way in a direction that will help accomplish my goals.

Great book, as are all of Brians publications !

You can change! That is the message contained in this book. And, that change is determined by what you think, how you act and react and the decisions you make. We can all learn to make better choices. This book is a great tool to help you do just that.

Good book with lots of little tips and tricks. If you're a frequent consumer of business related titles then you're going to see some repeated information, but overall a nice read and a quick audiobook.

Very good read, i would recommend it to all, it will open your eyes on things you already know but it will make you conscious of it, and i think that makes a big difference on your journey to success.

For experienced Tracy fans not too much new but a great repackaging. A great introduction to those who are new to Tracy. Highly recommended.
