# Glamping With MaryJane: Glamour + Camping

## Synopsis

MaryJane Butters is the go-to guide for putting glamour into camping. "Glamping, or glamour camping, one of the MaryJane's pet concepts, is about the juxtaposition of rugged and really pretty, grit and glam, diesel and absolutely darling." •The New York Times

Glamping is unleashing your inner wild while wearing a pair of fishing-lure earrings is for every woman (or man!) who ever had a get-away-from-it-all fantasy (with a few frilly embellishments thrown in). Learn about the never-fail campfire, cooking with cast iron, how to change a flat, and much, much more. Follow the growing Glamping movement at [maryjanesfarm.org](http://maryjanesfarm.org) and [nationalglampingweekend.com](http://nationalglampingweekend.com). Like the infamous Calamity Jane, who said, "I figure if a girl wants to be a legend, she should go ahead and be one."

MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall-tent bed & breakfast, which was featured in The New York Times Magazine and Travel & Leisure as "the place to be." Legend status achieved, MaryJane lives in Moscow, Idaho, where she runs her many businesses, which include a successful organic farm, product lines, a bed & breakfast, and MaryJanesFarm magazine. This is her fourth book.

A girl's got to do what a girl's got to do. Join the ranks of happy glampers women who add glamour to camping while traipsing "outside" the norm. Whether you want to glam up a backyard retreat, porch, or rooftop; gussy up a vintage travel

trailer (parked permanently in your back 40); or hit the road with your glamping girlfriends, MaryJane is THE guide for all things glamping. If you're looking for specifics on how to shop for a trailer, fix one up, pitch a tent cabin, or rig up a heated outdoor bathtub, MaryJane, the pioneer of glamping, will get you there, one step at a time. What are you waiting for?!

MaryJane Butters publishes MaryJanesFarm magazine, runs a successful organic farm, and manages several product lines. She is also the author of several books and lives in Idaho.

I have other MaryJane Butters books and I can appreciate what she stands for. I am definitely NOT as earthy as she is, but, I still enjoyed this particular book. I haven't read it front to back, but, there is a lot of eye candy and some very helpful advice included. If you follow her advice, I can't help but think you wouldn't have a very pleasant "Glamping" experience. . .if that's your thing!

Great book....I highly recommend purchasing it

If you are at all interested in this lifestyle, you'll LOVE this book. Spent several hours going through it. Learned a lot and had a lot of fun. MJ has a lot of style, especially in her writing.

I gave this to my mom who is part of "sisters on the fly" and she LOOOOOVES it! It is full of great information and fun stories, it even has projects to enhance your glamping experience. She mentions how much she likes it often, weeks after she received it, so I know it was a hit.

This is a great book - a perfect balance of fun, trivia and useful tips on everything from "personal business" to the mechanics of pulling a trailer. Any gal dreaming of hitching up to a cute little vintage camper (or even a snow hen headed south as a full timer) will feel more confident about the idea after reading this book. The fun comes in cute illustrations and darling photos of glamed up trailers. Who says you have to wear camo and never wash your hair? Want your morning coffee in an heirloom cup and saucer? Do it! Want to pull out the lace table cloth, kitschy decor or name your camper? There are others out there doing it already! Get the book, start looking for your rig and join the fun.
