Customer Reviews

I literally cried when I saw this series on sale and DEGAS! I'm lusting for a nearly \$40 Getty publication. I borrowed from library. Also available from . But til I can justify that book, this is GREAT. Who doesn't LOVE Degas!!!

So nice to have on Kindle, to review before a museum exhibit. Pictures very clear and interesting text. Will try other books by this publisher.

I recently went with a friend to the Degas exhibit at the Houston Museum of Fine Arts. The exhibit did not disappoint and this book celebrates a wonderful artist and his fabulous works. One of the great painters of all time!!! Recommend!

I enjoy the impressionists the most and I really enjoy having this kindle version available on my phone. Degas, one of the best in my opinion. The layout and format of the book suits me well. Very enjoyable.

Amazing paintings!

Good concept
