My grandchildren love the Odyssey CDs. Even at 13 and 11 they will listen to them as they draw, and I've heard them apply the principles they've heard expressed in one episode or another. I highly recommend this series.

We love this disc! Adventures In Odyssey never disappoints!

I loved the stories about St. Valentine and St. Patrick. I haven't yet listened to Telemachus. Great way to teach history of famous Christians.

My kids and I enjoyed the stories of St. Patrick, St. Valentine and George Mueller together. They love listening to these stories of faith and prayer.

Love Odyssey!!!!!!!

Lots of stories and histories than many adult Christians are not familiar with. Great stories with an historical lesson to boot.

This was lots of fun to listen to on our road trip!! Perfect!

Wonderful entertainment and education at the same time. Has sparked interesting family dinner time discussions.
