Bounty Hunter (Classified K-9 Unit)

Synopsis

ON A KILLER'S TRAIL — While on a mission to bring his sister's killer to justice, bounty hunter Riley Martelli spots a missing FBI agent in a Colorado national park. When he calls in the tip, he's joined in his search by Special Agent Harper Prentiss. Harper, aided by her faithful German shepherd, is determined to locate the missing agent—without falling for the charms of the handsome bounty hunter. Working together is the best option to find their targets, but it also doubles the danger they're in. With a killer looming large, poised to end their search for good, can Riley and Harper unite to find both men without becoming the next victims?

I love Lynette Eason books!!!!!! Bounty Hunter did not disappoint. The K-9 unit is still trying to find Jake Morrow, but in the book, Riley, the Bounty Hunter, is looking for a killer who murdered his sister and wounded his nephew. The K-9 unit helps as Jake and the killer (Van) are in the same vicinity. Lots of action, I couldn't put the book down. I enjoy reading books with dogs and the K-9's

are very active in this book. Harper Prentiss is still searching for her dad. what a great ending!!!!

Riley is on a mission to avenge his sister's murder. This cop turned bounty hunter is an honorable, honest & trustworthy man. While out tracking his prey, he finds an FBI most wanted instead. In an effort to help his family's finances he seeks the reward for the sighting tip. As a result, he meets Harper. Straight laced, serious and a dedicated FBI agent she and her K9 partner, Star, are tracking the person Riley spotted. When her team meets him to confirm details, she & Riley try to ignore the attraction they feel toward each other. Instead they charge into helping each other trying to find their respective nemesis'. They have a rough go of it. Both our heroes have to overcome not only the mental walls they've built but physically dangerous situations constantly catch them. Especially Riley. But working together brings out the best in both of them. The bond they build is strong, built on the right values. The conclusion is loving and rewarding. This is an engaging, adventurous and entertaining novel of love, intrigue and family. Great addition to this series.

I always love Lynette Eason's books, and Bounty Hunter is no exception. The fact that it's part of a multi-author series with an ongoing character arc (one I'm fully invested in) is just icing on the cake for me. And no worries, fellow cliffie-despisers: The main mystery/plot is wrapped up by the end of the book. But starting from book 1, there has been a plot twist involving one of the characters and that's the part that stretches across every book in the series. And I'm DYING TO KNOW how that plays out! Dying. As in, it's KILLING ME. As in, I NEED TO KNOW what's going on with this guy. Is he a traitor? Is he undercover? Is he being held against his will? I DON'T KNOW!!! And clearly I'm not handling that very well hahaha. Bottom Line: Lynette Eason has done it again with fast-paced action, great characters, and suspense that will keep you on the edge of your chair, Bounty Hunter is impossible to put down! A touch of romance, a little humor, and a humdinger of a continuing plot between all 6 books in the series even as each individual plot wraps up per book there's a little something here for every reader. (I voluntarily reviewed a complimentary copy of this book)

I have been liking Lynette Eason books and was really looking forward to this one, but I had some real issues with it. The story line was good, I liked the characters for the most part, but it seriously lacked editing. There were a couple of blatant mistakes, for one example, when Jake takes Harper

hostage he makes her leave her vest behind, but then in the cabin she knew he would shoot her where her vest didn't protect her. Well duh, the vest was back in the woods! It appeared to me to be written in a hurry, and they just skipped the serious editing. I would give it four stars for the story, but because of the lack of editing, nah, had to be 3.

Wonderful series fast pace, a lot of action. When I see a book by this author, I know without a doubt it's going to be awesome. Riley a bounty hunter is trying to track down the man that killed his sister and left his nephew paralyzed. In tracking him he has lost all faith in mankind, searching for this man he come face to face with missing FBI agent Jake Morrow. Calling the FBI with the tip he meet Harper and her team. Harper has been through a lot but she never lost her faith. With Harper's help Riley finds his faith in man and God. This story has attempted murder, car chases, love, and mystery.

I love the K9 Series. The stories are exceptional and the characters are wonderful. I especially like the stories of Lynette Eason. Keep up the good work...

Bounty Hunter (Classified K-9 Unit) by Lynette Eason -- What is not to love about this book? (Well, maybe it could have bee a little longer but still a good book!) I loved it. I love all of Lynette Eason's books and thoroughly enjoyed this one! It is full of action, suspense and romance plus some of Eason's twists and turns. I have read all 5 of the books in this series (each a stand alone book). I love them all. Hope to see more K-9 suspense/romance!

Very good book. Full of suspense and excitement and surprises at every turn. Action is through out the book. The problem now is if Jake is really bad or just pretending.
