Dark Warrior's Legacy (The Children Of The Gods Paranormal Romance Series Book 10)

Synopsis

HBO ~ Are you listening? I started this series on my birthday late February and waited to write a review until I finished just today. 11 books later and craving for more. Lucas is a new author to me, but I can honestly say that I'm looking forward to many more stories in this series, and will be checking out others as well. Truly wonderful humor (loved the wedding day guys get-together) and great suspense not to mention all the sexy fun! Balanced writing, even parts that could be monotonous by other authors flow seamlessly here. Didn't want to put it down but hey, I had to sleep sometime! I mean it HBO, are you listening? GoT is winding down, THIS is your new number one. Andrew's acclimation to his post-transition body isn't easy. His senses are sharper, he's bigger, stronger, and hungrier. Nathalie fears that the changes in the man she loves are more than physical. Measuring up to this new version of him is going to be a challenge. Carol and Robert are disillusioned with each other. They are not destined mates, and love is not on the horizon. When Robert's three months are up, he might be left with nothing to show for his sacrifice. Lana contacts Anandur with disturbing news; the yacht and its human cargo are in Mexico. Kian must find a way to apprehend Alex and rescue the women on board without causing an international incident.

Customer Reviews

I am always so excited for the next books to come out in this series, and they just keep getting better and better! Really love Andrew and Nathalie and was great seeing their story progress. I love how Ms Lucas intertwines the other story lines within these books, so there's always so much to keep you interested. I read each book in the series the same day they come out because I just can't put them down. Dying to know more about Carol and Robert, and Eva and Bhathian. Wish we see more of Mark again too!!!! Highly recommend this book, and every other one in the series too.

About time Andrew transitioned! Now Nathalie can't for a while. I am beginning to think Andrew is a horn dog! Is sex all he thinks about and most of the time Nathalie can't either. But I love the development of the characters. Ms Lucas keep on writing and I will keep on reading. The plot thickens and so cool for all the action! Get it to read and you won't be disappointed!

Can't get enough of this series. The main story is Nathalie finding out she's pregnant and she and Andrew getting married in the Clan's Scottish castle. Side stories include Robert and Carol coming home and finding their way. Also Sebastian's father plotting revenge. Can't wait to get the next book.

This series is so Amazing! Each time I download the next book, I'm hooked on the first few pages and I can't put it down. The characters are so well rounded and each has their own distinct personalities. For a huge fan of the paranormal genre, this series is so refreshing with its originality & the exciting storylines. A must-read for all my fellow paranormal romance fans!

I've borrowed the series from Kindle Unlimited and then got the audio to listen to while doing other things. The premise of immortals living incognito among the humans and tying their story with gods

of old isn't really new. But it was entertaining. Then there are the sex scenes...lots of them especially when you are reading the whole series one after another. They tend to cross over into erotica but at least these books have a plot and story line. If you are going to read these, it's best to start at the beginning and read them in order. Each one does not necessarily stand on its own.

I'm really glad that I chose to read the first book in this series. I was hooked fast and couldn't wait to get to book 10. Now I have to really wait for the next in the series. What is awesome about The Children of the Gods Paranormal Romance Series is how I.T. Lucas keeps bringing in those who have been introduced before. Really rounds out the books.

Wow, I think this was one of the best stories of the series so far. Andrew and Nathalie are such a cute couple, the play between them is adorable. The storyline about Alex was great and new characters coming in, Wow, just awesome.
