Anti-Stress Dot To Dot: Relaxing & Inspirational Adult Dot To Dot Colouring Book

Synopsis

Anti Stress Dot To Dot A Relaxing & Inspirational Dot-To-Dot Colouring Book Over 30 challenging dot-to-dot illustrations. Relax and de-stress as you gradually join the dots to reveal striking pictures and scenes which once completed can also be coloured in if you wish. With over 10,000 dots to join this is a perfect way to unwind and take some calming, relaxing time for yourself. Christina Rose is the creator of a number of best-selling anti-stress colouring books for all ages. Visit her author page for more info.

Customer Reviews

As someone still getting into more adult-oriented dot-to-dot books, this a good one for going from beginner to advanced and fits perfect in the middle. I like that the print is bold and the pictures are interesting and quite varied. Good book!

Gave as a gift. Liked the book but the numbers are very small so hard to read for a senior citizen.

The numbers in this book were way too small for me to see, sold it in a garage sale.

The numbers are tiny and I could not see them at all. It defeats the purpose if I can't read the numbers. I was really looking forward to this book but was disappointed.

The puzzles in this book are great. BUT in many of the puzzles the numbers aren't printed completely. Instead of a "Dot to Dot" book, it becomes a "GUESS WHAT NUMBER IT IS" book. This causes a great deal of stress until you just dump the book. It's too bad.

Book pages have the dots from 150-400, it might be work with middle school students. The only things I want to say is this book only has one picture for each page, not on both sides. That might be a pity! But anyway, it is a good book.

Nice pictures, but very small print and lines sometimes cross over the numbers making them hard to see. Other dot to dot books use the * to pick up the line at a different point, this book doesn't.

These are great for everyone in the family to do, we have competitions to see who can finish first.
