Oh My Gee Oe Es Ach (Oh my gosh)Get wrecked witch! I cannot believe Alex is so good at fighting,

she killed that dumb witch. So, like the first reviewer said, can you put an incubating dragon in book 18 or 19? If so, can you make it so that Alex hatches it and tames it. Also, can you make it so that the dragon gives her plowers and is stronger than Herobrine's dragon and kills it? And can Herobrine be also killed? Time for some REAL stuff in the book. So Alex gets tricked by her annoying next door neighbor, Joker. He put a FREEZE! potion on her. She gets home and Steve comes a few days later. And Steve is annoying her and blah, blah, blah. Alex gets a bunch of notes from "Herobrine". A few days later, she gets a note saying where he is. As Alex and Steve trek, they find a village. Steve stole ten rubies and locked Steve up. They threatened Alex that if she didn't get ten rubies, she is locked up. And of course, she is locked up. Nobody knows that they can get out through the window and that is how Alex escapes. She quickly says to the guards that she will get the ten rubies. She did get ten, but she had to get one more because a guy bartered for a map for one rubie from her. She did and returned to the village with the ten rubies. The villagers were overjoyed and let Steve out. They walked and finally reached the mountain side. A witch captured them and Alex tricked them. She killed all the minions and even killed the witch as mentioned earlier. Herobrine killed Alex and then Herobrine explained how he was still alive. -Riptide91837

Hey, it's me again. Couple things to day today. First your list really got bigger than before here, much larger than on the 16th. I am also glad to be back, sorry I didn't review on the Minecraft Superheros books. Also, (sorry if I've said this before) when are you going to release/write Diary of a Wicked Witch 2? You even called book one! Next is Hungry Ocelot 2, because at the end you said 'to be continued'. If you forgot to write sequels and his review made you remember them, I would be really glad. Also, if you're wondering whether or not you should buy this book or not, then YESYESYES. Sorry if I seem unenthusiastic today, idk y, but I realize that I am (I think). NYAN OUT. ~=[,_,,]:3-Infourai17P.S. That is the official nyan cat emoji.

Right let me say. that i havent read this book yet But I LOVE ur books Like Angry Alex And Diary Of A Power Hungry Sheep i read all of those BUT I HAVE LOVED THESE BOOKS PLZ add me to awesome reviews and i know i haven't reviewed all ur books but plz add me to awesome reviewers list plz. also other things u could add to stories of angry alex: there's Modzilla theres entity 303 and there's on online world with other people Who could be anyone (could u add me into story im DiamondKitty08) if u add me to awesome reviewers list put me in as Diamond Kitty. im a boy this is my moms account.

So I think that I'm the first reviewer... It says it atleast. So I think you should make it so that Alex explores the witches home and she finds an incubating dragon egg. It hatches and it turns out to be legendary. Then Alex can fight herobrine since her dragon is stronger. Those are all of my suggestions. Your loyal fan, Ethan

Looks like Herobrine finally got his dragon. (Steve and Alex are dead *o*) Also, I'm really glad that all of the books ever made aren't at the end. So, any way THIS BOOK IS @V\Wfâ Å Å\$ÅfÆ'Å Å,mÅfâ Å Å£!!!!!!Also, you probably didn't know this but I reviewed one your books (I forgot which one), so, yeahfÅçÃ â -Ã Â|(I know, best review ever [sarcasm])Anyway, keep making awesome books, and Merry Christmas!!!
