## Customer Reviews

I think the recipes are good. Some may be a lot for two but not if you love left overs or reduce the amounts! It just fine with me since it's just me. I do love left overs. These are simple and hearty stews. Then a surprise of fantastic meals at the end ...a bonus of delicious. A variety too like tilapia, a great salad ..even a dessert and all to die for...its worth it even if you like 5 of these...but i really like all of them

I seriously doubt that a recipe that calls for two 26 oz. cans of Cream of Chicken Soup makes just two servings. In previewing the recipes, I saw only one that called for a 2 1/2 qt. crock pot. The majority of the recipes seem to be for 6-8 servings and more. Recipes do include nutritional info, but based on what? No serving sizes are provided. And since you can't really determine how many servings are in the recipe, there is no guarantee the nutritional information is accurate.
