"An equally hilarious ode to kids at the table."--Huffington Post
"Parents, Adam Mansbach gets you. He understood that sometimes your kids just won't go the f**k to sleep. And, in his new foulmouthed bedtime book for parents out Wednesday, he understands that sometimes they just won't f**king eat. And he knows, well, it's really f**king annoying. So how about some f**king comic relief?"--GQ

"You Have to F**cking Eat, Sequel to Go the F**k to Sleep, Is Finally F**king Coming...It will arrive just in time to gift it to your brother-in-law, who, upon unwrapping it, will clutch it immediately to his chest and shake his head furiously at his waist-high daughter as she claws at him with her chewed up nails. 'No, no, it's not for you,' he'll say, laughing and crying at the same time."--Flavorwire
"An uproarious spoof of bedtime board books."--San Francisco Chronicle

"Forthcoming new book by genius funnyman Adam Mansbach."--BoingBoing
"Mansbach freely, fabulously curses out the uncensored truth; Brozman makes sure you'll recognize your irresistible, equitably diverse mini-mes with those all-too-familiar expressions, from utter disdain to overwhelming trust and every little eyeball roll in between."--BookDragon/Smithsonian Asian Pacific American Center
"If your kid has never presented you with some new mind-boggling preference at mealtime, I suspect you're lying."--Persephone Magazine
"This book is genius. It is what every parent is thinking when their child refuses dinner."--Old School/New School Mom
"With this soon-to-be crude classic, Adam Mansbach has nailed it with his undeniable animal/child comparisons all cozily complimented by Owen Brozman's humorous illustration--we dare you not to giggle into your eggnog."--Curious Mom
"Illustrations are just as enjoyable and the narrative again paints the perfect picture."--Roundtable Reviews
From the

author of the international best seller *Go the F*** to Sleep* comes a long-awaited sequel about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving, and deeply cathartic, *You Have to F***ing Eat* breaks the code of child-rearing silence, giving moms and dads new, old, grand- and expectant, a much-needed chance to laugh about a universal problem. A perfect gift book like the smash hit *Go the F*** to Sleep* (over 1.5 million copies sold worldwide!), *You Have to F***ing Eat* perfectly captures Mansbach's trademark humor, which is simultaneously affectionate and radically honest. You probably shouldn't read it to your kids, so there's a kid-friendly version, *Seriously, You Have to Eat*.

Adam Mansbach is the author of the #1 international bestseller *Go the F*** to Sleep*, as well as the

novels *Rage Is Back*, *Angry Black White Boy*, *The Dead Run*, and *The End of the Jews*, winner of the California Book Award. He has written for the *New Yorker*, the *New York Times*, *Esquire*, the *Believer*, and National Public Radio's *All Things Considered*. His daughter Vivien is not as picky about food as she used to be. Owen Brozman has illustrated for National Geographic, *Time Out New York*, Scholastic, *Ninja Tune*, *Definitive Jux Records*, and numerous other clients. He and Mansbach's previous collaboration is the acclaimed graphic novel *Nature of the Beast*, and his work has been recognized by the Society of Illustrators of Los Angeles, *Creative Quarterly Journal*, *3X3 Magazine*, and many more. He lives in Brooklyn with his wife and daughter, whose favorite food is bananas.

The follow up to the Samuel L Jackson narrated "Go the F*** to Sleep", You Have to F--king Eat, narrated by Breaking Bad's Bryan Cranston has completed the narration of my entire evening (3.5 & 5 yr old boys) by two of the best cursers known to man. If only we could 3rd and 4th books in the series (get in your car seat, don't run into the street) narrated by Al Pacino and Christopher Walken to cover the rest of my week.

I feel like this guy lives with me. I have two kids. One won't sleep, one won't eat. This is another instant classic in our house.

If you are a fan of Adam Mansbach's *Go the F*** to sleep* and its accompanying audio book narrated by Samuel L. Jackson, then you will probably love this book. Written and drawn in the style of a children's book, *You Have to F***** Eat* addresses to age old battle fought between child and parent at meal time. Imagine *Good Night Moon* or *Where the Wild Things Are* if they were written by a foul-mouthed sailor. The language is raw, but the tone and "story" are pitch perfect. As I stated in my review of *Go The F*** to Sleep*, avoid this book if you are easily offended. I took a star off because this is Adam Mansbach's second children's book parody and I felt like it rehashed the original book's formula without breaking much new comedic territory.

This book is absolutely hilarious! It is not meant for children, but you can edit it as reading it so it can be a children's book. The pictures are funny, the situations can be related to, and the book is overall really funny. This book should be read by all parents who have a picky eater. My son pulls the same stuff kids do in this book. The page where the kid refuses to eat pancakes because he suddenly hates them, when they used to be his favorite, and the parent told him he's full of **** and to stop

lying made me laugh. My son will love something one day, and then claim to hate it the next. This would be a great gift to anyone that has a toddler, or anyone who has a kid that can be a jerk about eating ;)

This book is funny. It's worth a purchase for yourself or a friend who has a kid that's anywhere between 6 months and 4 years. The rhymes are solid. The sentiment is accurate. My entire diet on some days is made of the stuff my daughter doesn't eat. Anyone who's fed a kid will appreciate reading it twice. Only toddlers and the insane read books more than twice, but this is one you'll still enjoy on the second read.

This book is funny and has a cute narrative of a parent talking to their fussy child about the need to eat. A story every parent can relate to when they get frustrated with a picky eater. The color illustrations are wonderful. Hide this on the book shelf until the kids get older though, since the language is profane.

This picture book needs kept out of the hands of children old enough to read, surely, but is a great comic relief to anyone struggling with the frustrating day to day of feeding a picky eater! Laughter through the chaos!

This satire book is so wonderful, it should be included in every first time mother's baby shower. This book makes you laugh with the truth of the situation when trying to make a fussy kid eat. As a parent and a grand parent, I can attest that all kids go through a phase where they simply will not eat. This book is for everyone and I don't care if you swear or not... hilarious!
