W. Phillip Keller, born in East Africa, always loved wildlife and the outdoors. Having spent many

years in agriculture research, land management, and ranch development in British Columbia, he later pursued careers in conservation, wildlife photography, and journalism. His experiences as a shepherd equipped him with the insights that are the basis for A Shepherd Looks at Psalm 23.

Mr. Keller has an understanding of the 23rd Psalm and uses the knowledge he has gained from being a shepherd to explain the meaning behind David's writing which is meaningful for us today. Also included are wonderful photos.

A wonderful book with inspiring insights into what it takes for a human shepherd to give good care to his sheep, and how wondrously Jesus, the Good Shepherd, cares for me and other members of His flock.

Beautiful pictures. Timeless and well written. A thoughtful gift to give or receive.

A first hand account of a shepherd and the nature of sheep with biblical application being made of the believer in Jesus Christ to the one true Good Shepherd. After reading and reflecting on these truths one can not be unaffected. I would definitely recommend. I've ordered quite a few and given them as gifts.
