Customer Reviews

Bought this for my mother for Christmas and she absolutely loved it. It offers small recipes as the months go on, with each recipe signifying something occurring that month or season. Hopefully they make one next year so I can buy that for her as well.

I love this calendar and bought it for the second year in a row. Love the black chalkboard look with color recipes, love the design and style and it looks great in my kitchen! It's bright and fun and classy and beautiful

This calendar could not be more precious. I love the coordinating recipes for each month, it's a charming touch! The quality is great, and it matches my decor perfectly. Best part? even my husband likes it!!

Beatiful calendar - have it hanging in my kitchen and makes me happy just walking by it. :)

Super excited to start using this calendar. Bought it for the artwork and room to write on each day.

Not disappointed at all!

Love this calendar! I had the 2016 one and it's so cute in my kitchen!

I get one of these every year and I absolutely love the pictures!

I love Lily and Val. They have the best chalkboard drawings.
