Customer Reviews

I’ve read all four books in this series. If you can find a better written, clean, Christian romance book,

which is edited and proofread as well as this one, I'd like to know what it is. But more importantly, the story line throughout the books is real, human life portrayed with developed characters, realistic dialogue, interesting settings, well, just the whole package. Buying the four books for this low price is exceptional. Although I get most of my Kindle books through Kindle Unlimited, I've purchased the set, at the special offered price, to return to read again later so that it won't count against my 10 KU books. I did receive a complimentary copy of the books, but this review is strictly given voluntarily. Juliette Duncan sets the bar high for other Christian fiction/romance writers.

Reading author Juliette Duncan's novels is always a blessing. Within her books readers see people overcoming life issues while growing toward or depending upon Christ. In three column 'The True Love Series Box Set' my experience multiplied! A creator of wonderful character who have real life issues, within this series, I believe the author has outdone herself and that's a feat not to be taken lightly. If you are looking for a new author, one whose books will draw you in, I know you'll discover as I did that Juliette Duncan's work belongs on your Must Read as well as your Must Gift List. Paula Rose Michelson writes Inspirational Christian Romance, Psychological Suspense Thrillers, Nonfiction, Self-help, and works to encourage. Her Kindle eBooks & Paperbacks are available on .

This set of books is a super way to read all four books, plus a Christmas novella, about the story of Ben and Tessa! Even though they are fictional characters, they are life-like enough to see how a couple can meet, marry, and go through disappointments and serious hurts. They may get discouraged, but they manage to keep their faith in God, and grow stronger, in the process. The author does a great job of weaving scriptures into the books, showing the practicality of their beliefs, as well as showing how they grow as a couple and reach out to help others around them, too. They are a great set of books, and I highly recommend them.

This was such an excellent series! I love how each of the characters developed throughout all the stories & I had a really hard time putting the books down. I highly recommend this series if you want to read stories with real-life situations, likable characters, & God's love woven throughout.

I enjoyed all the books in this series. I liked that the story carried over into the other books. And how their faith and Love of God kept them strong. And at the end the family was back together. I would recommend The True Love Series.

Very well written and enjoyable. Many reminders of waiting on the Lord and spending time in prayer. Also how to seek God's leading amidst disappointment!

I really enjoyed this series, especially the way the Holy Spirit led the characters to interact with each other to bring about His will.

This box set was a beautiful way to spend a week away. The characters are so precious and so inspiring. They make me happy!
