Ballers: His Game (Ballers Series Book 1)

Synopsis

Ballers : His Game Book 1 in the Ballers Series Book 1 in the Ballers Series For Him she was the one from the moment he saw her. He just didn't know it would be so hard for her to see him, but when she does he takes his chance. He would never regret it, but what he would regret is walking away. Then she appears in his life again and he is floored by all he truly walked away from. It will never happen again, no matter what. Football had been his life, not anymore and if walking away from it all is what it takes to have her and all that comes with her so be it. He has left it all out on field, now it is time to leave it all at her feet. Because Tamara is his for keeps! *This is Book 1 in the Ballers Series. This book can be read as a stand although characters from Hush do appear. Blue Saffire's books are written to weave, loop and intertwine with one another. You will find that the series build together for a greater experience. This is the read order for the best experience. Legally Bound 1 Legally Bound 2: Against the Law Legally Bound 3: His Law Perfect For Me 1 Hush 1: Family Business Ballers 1: His Game Brothers Black 1: Wyatt the Heart Breaker Legally Bound 4: Allegations of Love Hush 2: Slow Burn Legally Bound 5.0: Sam Ballers 2: His Final Play Legally Bound 5.1: Tasha Illegal Dealings Brothers Black 2: Noah the Beast coming soon

Customer Reviews

I loved this book. Brad and Tam were wonderful, strong characters. Both were independent and their family and friends were good supporting characters in the story without taking over the story. This reminded me of why I love reading a good romance. The story took you away for a few hours and left you smiling and feeling good at the end. It had a couple of hateful characters, who added some drama to the book. Great read. This was refreshing after the garbage that has been offered as romance novels in the Interracial Romance category.

Absolutely loved this book. It had me crying tears of joy and sadness at some things. This book was very different from other ballers books, and I truly appreciate that. The heart knows what it wants, when it wants. So, for Brad and Tam to meet that one night and still have love or fondness for each others five years later is special. I loved how Brad claimed her before meeting her again, with the picture and tat. He had faith that he will find her again. I love the relationship that both parents and siblings gave to Brad and Tam. This book showed that there are some things and priorities in life that are bigger than the big game.

There are some people who leave a lasting impression on the mind, heart body and soul. For Cam that is Tamara. One pushing. The other doesn't want to but ends up summiting the conversation. That leads to their bodies connecting by the end of the night only to draw the wrong conclusions the next day. Ballers: His Game.. I loved it from the start. Blue puts together a very nice romance that reminds us singles to stick around and clarify any misconceptions you might have. This way you aren't drawing the wrong conclusion that could lead you to missing out on love.

I thought the first book I read from this author was great, but this book was just as good. What a treasure when you find an author that just gets it right and the story just flows and it flows so well that you can't put the book down but the more you read the closer you get the end then you have to wait. All I can say is this book will hold you and keep you longing for more. I give this book 25 out so

10 stars buy this first book in this series because the 2nd Will be just as good please continue writing more.

Overall this was a very good book. Bradley & Tamara story touch upon a number of issues from race relations, backstabbing, jealousy, and control. What was great about this love story is regardless of time and obstacles Brad and Tam found there way back to each other. In this story the supporting characters only make the story better. Sex scenes were hot as well. Highly recommend this author and story. Cannot wait to read her next book.

5/31/16” i love when race is not the issue, but loving each other is so much more!!! Bradley did his thang from the beginning and i loved that! His family accepted Tamara from jump street no questions asked. They saw a woman..not a black woman but the woman their son loved. And their daughter! Blue knocked this one out the park! Plus having the Donati and Marriettes as well in their life.. cant ask for more”

I liked what I read. It was different. I believe that characters from her other books are introduced in the book. It was a tad bit overwhelming to try to keep up. Also, it seemed that it went a little too long.

I enjoyed this beautiful love story. When a real man steps up to claim his woman and child!!!! This story made me believe in real men again!
