Adrian "Montana" Freeman....I'm still all the way team Tana...Say what you want about him: he's fake, fraudulent, a liar whatever you can't deny his craft...that man is talented...I love me some Demarco Carter honey...Koda is sickening, ldk why I don't like him I just don't for no other reason than to just be a hater...I can't wait to see what happen next cause Koda truly had me in my feelings at the end...I'm confused because it's like don't come for Montana but at the same time I see you "white boy"...ugh...5 star read though!!!

I Loved this book and I purposely took an entire week to read it because I knew once I finished I would be looking like a lost puppy. I'm going to try to figure out what's hidden in the cover but chances are I won't. I really want to read more about Tuesday and dangelo because I feel like their

story will be a bit different. I feel for Montana and Jacob because they are both lost men in different ways. I hope Montana gets his lies together and stop being a punk. Koda has a few loose screws but we learn why he's that way and I completely understand. There were a few errors that I could overlook because this story is the ish but one thing that really annoyed was the question marks in random places. I'm hoping it was just a formatting issue once it got published and not a careless mistake. Keep up the good work.

Desiree girl you wrote this book. Kodak at the end of Thug Story 2 had all of my focused attention. Listen I'm an Old G and girl yes writing is your forte. Th Carter's and Thug Girl I now need glasses due to these brown eyes being stuck on the pages of your novels 5 star rating. Is not high enough I give it a 10 star rating Yes Over the top.

DESIREE DOES IT AGAIN...This book was a page turner from front to back and I enjoyed EVERY bit of it...From DeMorgan and their cute relationship...DeAngelo and Cashmere with their crazy mess...Hazel and Koda with their confused butts...Torri and Yayo with his sexy self..And everyone else in between...Including Montana's dumb butt....Can't wait until part 3 comes out...Great job Desiree...Please hurry up "end of Marh"

It holds your attention... Sucks you in and in a way it's like your holding your breath waiting and reading to see what happens next I love all of her books that I've purchased so far her end crdiets and Facebook gives young black girls hope to follow their dreams and chase them with no fear or regret

Maaaaaannnnn Koda is Bae!!! Just read people READ!! My heart is racing .. gotta go!!
Byyyeeeeeee now!! Betta jump on this bandwagon

Ooo oooo weeeee!! Bruuhhhh! Why you end the book like that. Do not sleep on Jacob Ryan thats that real th*g mentality right there! Had me turned on from his aggressiveness lol. Ugh i swear -hand cutting the air- I can't wait until Tana's lies catch up to him he is doing too much Des. Now I love me some tori and yayo but he gonna have to back up coming for Amari uhh no sir we dont play those games. Demorgaaaan Imaoo they are so hilarious and cute together. Cash and D'Angelo finally got it right I was rooting for them...opposites really do attract. Whats a story without the real mvp glad my bae Shiloh stepped in and gave hardheaded Tana some advice. Overall you know the book was

fye. Big up Atlanta's best selling street author. Luv u gull! Lol
