Customer Reviews

Hello did nobody read bambino? Demarco was Tuesday brother not cousin. Also Junie boy and yayo are carters too, It's all too mixed up and confusing..

Desiree has quickly made herself one of my top 5 favorite authors. She did an amazing job with Montana's story. Can't wait for part 2!

Desiree you the best!!! You never disappoint me. Keep up the amazing work

I like how the characters jump from book to book! I like the abrupt endings as well. I like how they

don't just live in their own worlds but interact within the story lines of other books!

Love how it feels so realistic...Always a page turner! Something is always going on with this family and their different crews!!

Love this have not hated a character the way I did in this book and loved reading it could not wait to finish the series

Another great book by Desiree...You will have to read to find out what really went down

Loved it! currently reading Bambino..Can't wait to read her other books :)
