Frommer's EasyGuide To Naples, Sorrento And The Amalfi Coast (Frommer's Easyguide To Naples, Sorrento & The Amalfi Coast)

Synopsis

When American tourists complete their first trip to Rome, Florence & Venice, their attention then invariably turns further south in Italy, to the dynamic city of Naples (along with nearby Pompeii), the colorful seaside city of Sorrento, and the enchanting Amalfi Coast alongside Capri. The number of tourists making a trip to these legendary locations is awesome. Our authors are long-recognized and well-acclaimed travel journalists, who have each devoted considerable time to formulating their personal recommendations for these major Italian destinations. Two hundred eighty-eight pages bear their travel advice.

Stephen Brewer has been writing travel guides for almost three decades. As an editor and writer, he has focused on European coverage for such magazines as Esquire, Connoisseur and Geo. He has written several previous guides for Frommer's and Insight, as well as authoring Beautiful Small Coastal Towns for Rizzoli. Stephen resides in Manhattan.

The author has a good personality and provided a general overview of the area. It worked well for the purpose however, in the future I recommend Steve Ricks' material as it is easily organized and much detailed.

Perfect size and informative. Was able to use as guide for the Amalfi Coast

Clear and up-to-date.

Packed with useful information with thorough coverage of the Amalfi Coast and the islands.
