A well done book filled with stories, history, photos and fun facts about Louisville's diners, both old and new.

Excellent read! I really felt the author's appreciation of what some may consider a dying breed. Her thoughtful insights into each diner represented in Louisville Diners, was heartfelt and genuine.

Fantastic. A must buy for anyone in Louisville. Ashlee does a great job with this project. Makes you want to try every place in the book!

Really current and helpful information on local diner options. She really knows her stuff!

Bought this with a companion book *Lost Restaurants of Louisville*, both very unique. Both are must haves for Louisville lovers

Great book, friends and I look forward to exploring Louisville Diners

This seemed like a commercial for several more well known diners.
