A good read

Nice book

Go to my "coffee table" for reference and good memories of my home town/team. Today after

reviewing Sports ESPN Center app on the death of Chuck Noll, I am once again glad I have My Book and

I ordered this book as a Christmas gift in December 2012 but I didn't get the book until summer/fall of 2013 & I got a used copy instead of a new copy which I originally ordered. I had many frustrating emails & phone calls w/ur company. I suggest u take the time 2 research exactly what happened so it doesn't happen w/another new customer, which I was. This entire experience left a very bad taste in my mouth & I don't know if or when I will b using again.

Anything concerning the Steelers is great. Buy the book - it contains facts about the steelers that I never knew.

I bought this book for my boyfriend! He loves it! I enjoyed it so much, that I had to buy the one for my team! I highly recommend this book to anyone that is a NFL fan!

This was a Christmas gift for my karate teacher in addition to some other fun Steelers products. I'm not knowledgeable enough to review the content--but it was liked and appreciated a lot by my instructor. He's such a fan, I think it made him feel great that he knew at least half of the facts. I expect to hear them when we are holding push up position on our knuckles!

Fun gift for a Steelers fan.
