This is a very high energy book! The coloring potential is tremendous!

I gave this coloring book to one of my friends (who is a fan of Trump) for his birthday, and he thought it was hilarious. It has a lot of funny pictures in it and I would recommend it as a fun gift to any Trump-supporters out there.

M.G. Anthony has a wonderful sense of humor & did an amazing job putting together this book. We had many laughs flipping thru the pages. We bought this as a gift & it was so much appreciated that we will buy more for our friends.

I bought this fantastic coloring book as a gag gift for my father. The illustrations inside are great. However the cover was damaged. Still not enough of an issue for me to send it back. It did the job.

Ordered this for my nephew who has been dying for a trump coloring book. He is only 8 years old so I had a hard time finding an appropriate one without a lot of bad words or images. This is perfect because it's funny (he's going to find it hysterical) it still appropriate for a child to color in

Good quality coloring book. It has a bunch of pictures that are fun to color in and stuff.

Amazing and super fun coloring book! I bought one for a friend and two for me! One to color and one to collect. Far exceeded my expectations!

We bought this for my 25 year old son for his birthday. He enjoys politics and we all just laughed and laughed at the pictures. You can't take this book very seriously, it is just for a good laugh. Very creative pictures!
