Customer Reviews

There is quite literally an entire essay in this book. Over 40 pages of notes before we get to the music.

I bought this wonderful music book because I remembered some songs it from my college education over 30 years ago. In particular I was searching for the Samuel Barber song, "Sure on this Shining Night," a song of healing I want to sing in church. The song among other good ones is a gem in this book of songs.

Exactly what I wanted and in great condition!

I was delighted by this updated edition, which contains so much more music than my original, which dates from the 1970s. I bought two copies, one for me and one for my accompanist. In addition to containing so much more music, the printing is very clear and the book stays open beautifully.

Delivered, as promised. A beautiful collection by a great 20th c. composer.

I like this anthology more than the one I bought in college in 94. It's more extensive, complete, and gives more background than any other Barber Anthology.

Very good book!

If you like Barber then this is a perfect buy. What's not to love about Barber art songs? It's nice to

have so many of his pieces in one edition.
