The Virgin's Spy: A Tudor Legacy Novel (Tudor Legacy Trilogy Book 2)

Synopsis

Perfect for fans of Philippa Gregory and Alison Weir, *The Virgin's Spy* is award-winning author Laura Andersen's second novel about the next generation of Tudor royals—a mesmerizing historical novel filled with rich period detail, vividly drawn characters, and all the glamour and seduction of the fabled Tudor court. Queen Elizabeth I remains sovereign of England and Ireland. For the moment, at least. An Irish rebellion is growing and Catholic Spain, led by the Queen's former husband, King Philip, plans to seize advantage of the turmoil. Stephen Courtenay, eldest son of Dominic and Minuette, Elizabeth's most trusted confidantes, has accepted a command in Ireland to quell the unrest. But the task will prove dangerous in more ways than one. The Princess of Wales, Elizabeth's daughter, Anabel, looks to play a greater role in her nation, ever mindful that there is only one Queen of England. But how is Anabel to one day rule a country when she cannot even govern her own heart? Praise for *The Virgin's Spy*—“Andersen delivers another dramatic thriller complete with spies, battles, ruthless villains and twists on historical events that draw the reader deeply into the lives of her characters. There is magic here, and Andersen's fantastic storytelling will keep readers coming back for more.”—RT Book Reviews (4 1/2 stars, Top Pick!) Customer Reviews

Laura Anderson has written some absolutely terrific revisionist history dealing with the Tudor era. There are six books in all and this one is in the second threesome. It revolves around Anne Boleyn giving birth to a son thus she outlives Henry. The son becomes King Henry IX aka William. His story crosses with that of a young ward of Queen Anne and the man she falls in love with. I'm a European history nerd and I loved all three of these books. The book this group is in deals with the reign of Elizabeth I, who comes into power after the death in battle of William.

Can't wait to start reading book 3! Such a great author! Fact and what could have been come alive on the pages!

A great story for those who like historical fiction. It is very imaginative!

Wonderful thought out "what if" series .Waiting on the next!!!!

Loved the follow up to many of the Tudor books I have read.

Very well written author kept me engaged. Characters were very three dimensional

I absolutely love this entire story. It's a fast read and I'm upset the next one isn't for months!

Great writing style. Very enjoyably.
