Scales: Falling In Deep Collection

Synopsis

Verona is a bottom feeder. She is the one mer in her clan who is considered the ugliest and least intelligent. Growing up with constant bullying and abuse wasn't the worst of what her kind had in store for her. At 17 years old, she must now endure The Reckoning. The scales will measure her worth to her clan. Will she endure 30 days as a land-walker to gather information and knowledge to appease her clan and return a valued member? Will she wait three years, until she is 20, and find a mer of her kind to accept her and marry her? Or will she suffer exile for the rest of her life? All summer long, join the authors of the Falling in Deep Collection for unique tales of creatures from the deep! From mermaids to sirens, Miami to Athens, dark paranormal romance to contemporary stories with steam to folktales, the 15 award-winning and best-selling authors of the Falling in Deep Collection are bringing you mermaid tales like you've never seen before. Customer Reviews

This book took a different slant at mermaid life and the novel deals with the life of Verona a

bottom-feeder who seems to be a sort of low caste in life amongst the mermaids. She was bullied and hurt both physically and psychologically and then exiled for a term away from all she knew to survive or die as she best knew how. She gets the help of a male of her species but this is so uncharacteristic and she is so not used to getting help she does not know how to react to this! A good story but i think it could have had more happening as it keeps going round in the same circle so to speak and it ended most abruptly!

Verona's lonely, painful life is one I had empathy with. Leaving her village with her future totally in her hands.....will she make the right choices? I was totally drawn in from beginning to end!

This story grabs you immediately and keeps its hold. It is the tale of a mermaid at a major crossroad in her life where her decisions will determine her future. I'm looking forward to getting started on the next part her journey in "Salt".

An awesome intriguing her story that keeps moving through the well known waters surrounding the Chesapeake bay and northernmost areas including the wild ponies.

I was instantly in the water swimming with the Merfolk! This book has a different take that I really enjoyed! The Merflok are more believable to me. Hope this author keeps writing these stories for a long, long time! Æ

This was a really beautiful story. I love mermaids so the fantasy elements really appealed to me. It also dealt with some pretty intense issues of exile and unethical treatment that strongly parallel to race relations issues in our society. My only complaint was that it was just too short. I can't wait to read the conclusion of the story, Salt, as soon as it's released. I bought the paperback version of this book and there were some kerning issues with the font that were a bit distracting, so I definitely recommend the Kindle version for everyone. It's also very short so the price was fairly high for a novella. The ebook is priced just right and you will love the story!

I really liked how this was written. It was a great book to read on a rainy day. I loved how the characters are and how the story flows. I look forward to reading more by this author.

Great book for a entertaining easy read. I can't wait to read more of the Falling in the deep

Collection.
