Customer Reviews

This book teach the end games. How to see 80 moves ahead to win the Second Position. One of the most common position in checker. 3 againt 3 with the winning side having the move. Also it give you tips and hints to improve your game. It tell when 2 checkers will not beat one. Who got the move and how to change the move. I highly recommend this book.

delivery on time receive it next day . send it to my boyfriend , very well. It's so sharp. I cut myself the first time I used it. 5 star.
