Goblins (XFiles, Book 1)

Synopsis

[Read by Patrick Lawlor] Meet Mulder and Scully, FBI the agency maverick and the female agent assigned to keep him in line. Their job is to investigate the eeriest unsolved mysteries in modern America, from pyropsychics to death row demonics, from rampaging Sasquatches to alien invasions. These are the cases the Bureau wants handled quietly, but quickly, before the public finds out what's really out there... and panic the cases filed under "X-Files";

Customer Reviews

Charles L. Grant (1942-2006) was the creator and executive producer of The X-Files television series, as well as a frequent writer for the show. He also wrote and produced the feature film. He won a World Fantasy Award for his novella collection Nightmare Seasons and Nebula Awards for his short stories "A Crowd of Shadows" and "A Glow of Candles, a Unicorn's Eye."

Cool and creepy. Enjoyable and well written. Just like watching it on TV. I think ill cue up another X-Files novel right now....!

...but the fact that the Kindle edition didn't have any extra spaces or typography clues separating the sections within the chapters made it difficult to physically read. The lack of formatting in the text forced me to have to work harder to follow the narrative. And by the way, it's the standard monster-of-the-week episode.

The story was very good and really kept my attention, but the author didn't do a very good job of capturing the personalities of Mulder and Scully. At one point in the story, Scully even laughs, but any hardcore X-Files fan will tell you that Scully rarely smiles - let alone laughs. There were other things about these two characters that were way off base and just didn't sound like Mulder or Scully, but aside from that, it wasn't a bad read at all.

It's good solid read

I liked this book. It was a typical X-Files episode that would have been a good tv addition to the series.

Typical X-Files book that is true to the series. I enjoyed it and will try some of Grant's other works. Decent X-Files books are hard to come by unless you want a graphic novel (comic book) and I appreciated this one.

the xfile books are great if you are a collector like myself this is in the collection - do not want to spoil it -

Awesome! Big fan of the show back in the day!! You can see Mulder and Scully throughout the book. Looking forward to 2016!!
