Customer Reviews

Such an amazing collection of stories, my kids truly enjoyed them, they are short so we would read 1-2 before going to bed, and we really liked all of them! They are sweet and also teaching some values.

bought this for my 2-year-old granddaughter after she left her copy at home. She spends Friday evening through Sun afternoons with me & we READ! This is her #1 favorite book. Thank you so

much

We have a pretty large collection of Kindle books. It is rare that my son wants to hear the same story more than once. He really likes the stories of this book. I happen to enjoy reading it too. These are so cute!

I love reading this book to my child. Now that visual stimulation is served up via television, iPads, iPhones, Xbox etc., children rarely get to tap into their imaginations unless we read to them, or until they can read. These stories can let our kid's play using their imagination. For me, there was nothing cozier than to listen to my mom or dad read to me when I was a child. As a mom, that same cozy, loving feeling was present when I read to my children.
