ok

This is a great book for my kids in middle school to prepare for the very competitive SAT and ACT standardized tests that they will soon have to take. I have them study a few new words a week and it helps as a guide

Not much material - a few cards here and there for each topic but not a full list. Nothing much for vocabulary

Very helpful test taking strategies and practice tests; my 12 y.o. needed the help on standardized test taking. This was well worth the price.

okay.

Good for my granddaughter

Fully meeting the need of my kids

Nice book for studying for the test.
