Not bad for the national questions review and wa-a-a-a-a-ay cheaper than buying Modern Real Estate Practice.

I purchased this book as addition to classroom training. The book is direct and was a good addition.

Easy access

Nicely layed out and explained. Still studying my online courses. Will review more of the book one in ready to take exam

Helped me study for the exam and pass on the first try. Great resource!

Good review info for the national portion of the test. It doesn't claim to help with the state test, so I wasn't expecting it to.

Loved the test taking tips - passed on my first try!

Has what I need, Thank you,
