ALLSTARS magazine: "This book isn't just about gay porn stars - a nice change from all of the, books about sexy men we've been reading lately. This book is about every male sex symbol in every media, everywhere! So, we get to read the gossip about Ben Affleck and Matt Damon, Tom Cruise and Leonardo DiCaprio, Ryan Phillippe and ... well, every personality and entertainment person who has helped mold our gay consciences. There are liberal quotes from Michael Musto of the Village Voice, author and critic Mickey Skee, Manshots Jerry Douglas and others. Plus, there's gossip gleaned from fans, from the author's own spying ... and the result is a whopping 580 pages which is about all you ever wanted to know about everyone, and more. After reading this interesting book you shouldn't have any more questions ... for now." -- ALLSTARS magazine
