Red: The True Story Of Red Riding Hood

Synopsis

Beauty and the Beast™ fans: satisfy your fairy tale cravings with the New York Times bestseller RED, a spellbinding adventure that features a brave heroine, plenty of pixies, a beast like no other, and a beauty too! Red is not afraid of the big bad wolf. She's not afraid of anything . . . except magic. But when Red's granny falls ill, it seems that only magic can save her, and fearless Red is forced to confront her one weakness. With the help of a blond, porridge-sampling nuisance called Goldie, Red goes on a quest to cure Granny. Her journey takes her through dwarves' caverns to a haunted well and a beast's castle. All the while, Red and Goldie are followed by a wolf and a huntsman—two mortal enemies who seek the girls' help to defeat each other. And one of them just might have the magical solution Red is looking for. . . .

—Liesl Shurtliff weaves a spellbinding tale, shining the spotlight on a beloved character from her award-winning debut, Rump: The True Story of Rumpelstiltskin. "Moving and filled with hope . . . the charm of Shurtliff's retelling is how she imbues the storybook tropes with vibrant humanity." —Shelf Awareness, starred review

And don't miss Jack: The True Story of Jack and the Beanstalk, "a delightful story of family, perseverance and courage" (Booklist).

Not only did my 9 year old daughter enjoy this, but I did as well! An excellent follow-up to "Rump" and much better than the author's other offering, "Jack."

I read this book to my 5th grade class and they were hanging on every word! It is rich with some higher level vocabulary words for that age group. It provided many opportunities to stop and make predictions and to also compare/contrast with the original Red Riding Hood story. Loved it!

Great story, a different side of Red! Fell in love with the book, Rump, and this book is my favorite among the books that Shurtliff wrote.

My 9 year old daughter is hook on these books. Very original and she loves it ! Highly recommend
