Customer Reviews

Rand McNalley states under their folded map description, "and valuable information." However, when they made the map, they must have run short on ink. They forgot to put in any milage or distance information. As a traveler, the first information one seeks, is how many miles is it? The milage information allows one to determine, fuel stops, lunch breaks, time to location and overnight stays. Without milage, the map is useless to the traveler. Sorry Rand McNalley, I would have given you zero stars, but it was'nt available.

When I had placed my order and "checked out", I didn't know the individual shipping prices. What a surprise when I paid \$3.99 shipping for a map I paid \$3.95 for. I won't make that mistake again.
