My wife (a Brazilian citizen) and I are planning my first trip to Brazil. We have a limited amount of time and I needed to gather as much information as possible about one of the world's largest and most diverse countries. True to National Geographic style the Adventure Map supplied me with all of the information that I needed and then some. High quality and durable. If you are a first time traveler to Brazil (or even a native) you'll find this map very helpful.
