Excellent. -- Mississippi Catholic --This text refers to an out of print or unavailable edition of this title.

So many adult literacy students want to learn to read, or improve their reading, in order to read and understand the Bible -- yet there are so few easy-to-read Bibles for the adult learner! Most children's Bibles are woefully incomplete, or too childish or bear too little resemblance to the Bibles their friends and families are using in church or synagogue. This Old and New Testament in one volume, though designed for use by children ages 9-12, is a joy! It's simplified/condensed, but amazingly complete, with a comprehensive index and full chapter citations at the top of every story for the student who wants to know more. Beautifully illustrated, and a pleasure for grown-up students and tutors to read aloud, together. My student (a 46-year-old male) and I were so happy to find it, and we are delighted to recommend it to other tutors and new readers.

Every thing about this transaction was more than satisfactory in spite of age of the book. Their description was accurate.

Excellent

I teach ancient history at the college level, and I give this book to my children to learn about the Bible. It has nearly all the stories, not just Noah and Moses, and tells them in a lively way, with plenty of action, but in words children can understand. And it is short, with lots of colorful pictures. There is no moralizing: this Bible sticks to the text.

A Child's Bible is an anthology of stories from the Old and New Testaments of the Christian Bible, adapted for young adult readers to enjoy and interspersed with simple yet colorful illustrations on almost every page. Most sections of the bible are rendered into short passages several paragraphs long. Quotes from Jesus Christ and other Biblical figures are typically repeated verbatim; other story elements are often streamlined or simplified. "St. Luke 8-1-3 Jesus Journeys: Jesus visited every town and village teaching and telling people the good news about God's kingdom. He traveled with his twelve disciples, and certain women whom he had healed, such as Mary Magdalene, Joanna (the wife of Herod's agent, Chuza), Susanna and several others who had money to help support him." Highly recommended, especially for church youth libraries and Christian households with younger children.
