Customer Reviews

"I have fallen deeper and harder for Ashley than I think any man has for a woman ever. Even when I thought she had betrayed me, my every heartbeat still existed for her." My goodness! I can not tell you how much I enjoyed and truly loved this book! It was a perfect ending to Dominic and Ashley's story. After the courtroom fiasco at the ending of Figure Eight, Ashley wakes up in a hospital bed with Dominic, Kelly, and Knox by her side. She's got some bumps and bruises, but it's nothing

compared to what happened to Rowan. He risked his life to save Ashley, and he's still here thankfully. But he's never going to be the same. Ashley feels deep guilt for what happened, and what Rowan did for her. Dominic isn't liking that Ashley's mind keeps going to another man. Who could blame him, right? What makes matters worse is that Ashley is not only dealing with life moving on with Dominic and their future, but she's also harboring feelings for Rowan. Feelings she never realized that she had before until she almost lost him. "Being in love with two men has never done anyone any good. Someone will always get hurt. And sometimes you hurt yourself in the process." Dominic, being Dominic, makes sure that Ashley knows that he will not let another man steal her away. He pulls out everything romantic, and everything sexy. Yummo! That man!! Whew! You need a fan for all the "sexy times" in this book! hehe;) I did have a major soft spot for Rowan though. Gosh, he was wonderful. With his injury, his backstory, and his love for Ashley, you wanted him to have a happy ending. "Don't tell her...don't let her know that I'm only half a man..." He hurt my heart sooooo bad! No matter how much I loved him, he wasn't who I thought Ashley should have. This love triangle got intense. I love how Cassy intertwined each one of these characters. It wasn't an easy situation, and she worded it perfectly. The story had twists and turns around every corner. When you thought the story was going one way.. Bam! Loved it! It kept you on your toes, and flipping the pages like crazy. You won't be disappointed! It will make you laugh, maybe shed a tear, and you will surely have to fan yourself! Lawd, Cassy can write a steamy scene!! The ending was perfection for this story/series. I love how she closed this chapter (pun intended) in the lives of these characters. The epilogue made me cry...two tissues...I'm a sap! I also can't wait to read the continuing story of Knox and Kelly! They have a story that needs to be told! Great job, Cassy! Thank you for writing about Dominic and Ashley. They have become two of my favorite people:) "All three points interlocked and connected to honor, protect and love. My Triquetra."

This third installment in Celtic Knot series lived up to and surpassed my expectations! I was a bit wary when teasers showed Ashley torn between Dominic and Rowan, but Cassy Roop did a great job developing the characters and plot to show us how it could happen and I thoroughly enjoyed reading through the ups and downs of these characters. I highly recommend this book and this series, and advise to read them in order so you have an understanding of the history of the characters before jumping in to Triquetra.

Shew...thank goodness it wasn't as crazy as I had plotted out in my feeble mind. I for sure thought I was going to be rolling around screaming and crying and although I must admit I was a little upset

and lots nervous it still didn't have me Ina tail spin. I didn't feel like I had been hit by a Mac truck when I finished. I am actually quite pleased and a whole lot happy. Not that I don't like row an because I do but how could it ever be a possibility to love anyone other than Dominic, that man is just oh so freaking yum-TASTIC. I even remember laughing out loud at one point when he was saying how he knew he was having a boy because he didn't make girls that part was so funny but you can never escape the dominating and control of mr. Dominic michaels. Shew he has me fired up at all times.Well anyways as much as I hate to see them go because I seriously think I could read about then even in their 80's it was a wonderful ending to some amazing books. Now I'm ex cried about knox's story too.

I absolutely loved this book and the series. It was Hot! the whole story in itself was great. so many struggles and so much hurt , love and guilt consumed these two. I am so sad Their story has ended however I look forward to Kelly and Knox story and I also have a feeling I know who the hooker in jail was.

5 Amazing, Hot, Sexy and Truly Wonderful StarsWow, I am exhausted, lol, I seriously did a 3 day series read marathon because I am not a cliffy girl so I prefer to wait until ALL books are out before starting and let me tell you I was dying for this last and final book to come out:) This was a GREAT series, I loved every minute of it, suspense and angst and all mixed in with lots of steamy and hot SEX, hehehe!!! I was on the edge of my seat at times but wow, what a story..... NOW, I CANNOT WAIT until I read Kelly and Knox's story.....like I need it yesterday, lol!!!! Congrats Cassy Roop on an absolutely thrilling, spectacularly written series!!!!!!(

I loved the 1st two books in this series but this one just didn't nail it for me. I do give it a very high 4 star though.Book 3 starts right where book 2 ends out and it's written from both Ashley and Dominic's point of view. This felt like a very short read for the price and I felt like something was missing from it. I would love to hear more about Knox and will happily keep reading books from this author but this story just didn't do it for me. I'm glad they got there HEA but that's about it.The cover I love/hate. It's a beautiful but pregnancy and a BDSM night club just don't seem to bond well with me. Just my .02 cents about.

I absolutely loved this book, I'm going to miss not only Ashley and Dominic but also Kelly, Knox, and Rowan. Cassy Roop makes you fall in love with not just the main characters but also the

supporting characters. my husband and I really enjoyed reading this series!

Cassy Roop does it again!! I love this series and this was just wow! She really showed love in different forms and overcoming many obstacles and of course there are the men to consider!! I just can't wait to see what she has in store for us next!!
