# 101 Romantic Suspense Story Starters (101 Romance Story Starters)

101 ROMANTIC SUSPENSE  
STORY STARTERS  
WRITING PROMPTS TO SPARK YOUR IMAGINATION

● ANNETTE ELTON ●

## Synopsis

Every good romance novel begins the same way – with a story idea. Yet compelling story ideas aren't always easy to come by. Sometimes we all need a little inspiration - a spark that ignites our imagination and excites the writing muse. 1001 Romance Story Starters cover myriad genres, from erotic romance to inspirational and everything in between. Romance Story Starters aren't your traditional writing prompts. Designed to kick start your imagination they include dialogue starters, scenes, open ended scenarios, and even story endings. You can change ANYTHING about the story starter. Take the idea and bend it to your will – you're the boss. Use the ideas to create powerful and compelling characters. Rhett and Scarlett, Romeo and Juliet, Kate and Curran, great romance characters are created through conflict, chemistry, and courtship. Each story starter holds the potential to help you create characters that capture your reader's heart and mind and stand the test of time. Use the ideas to help you overcome writer's block. It doesn't matter if you're staring at a blank page or if you're in the middle of a novel and unsure where to go with it – use the starters as inspiration. Let them help get your creative brain fired up. Use the ideas to strengthen your writing muscles. Your writing muscles are like any other muscle in your body. If you don't use them regularly, it becomes weak. Don't let your creative writing muscles atrophy! Even if you're not working on a story idea, write. Grab a story idea and fill a page or two (or ten) or write for twenty minutes – you make the rules.

## Customer Reviews

Love how Ms. Elton lays out her ideas. You can even mix up the ideas too... What a great way to brainstorm for your next book.

I found several good ideas in this little book. Some of the ideas were very similar to each other and had been reworked to sound different. Not bad but not great either. Worth the price.

I bought most of this series and wish I hadn't because most of them were terrible but this is the best one.
