Introduction To The Mathematics Of Inversion In Remote Sensing (Dover Phoenix Editions) (Dover Phoenix Editions)

Synopsis

The book opens with a number of examples of inversion problems from a wide variety of disciplines and it is shown that mathematically the same problem is involved in every instance. The reduction of such integral equations to a system of linear algebraic equations is then discussed. 42 text figures.

Book Information

Series: Dover Phoenix Editions

Hardcover: 256 pages

Publisher: Dover Pubns (May 1, 2002)

Language: English

ISBN-10: 0486495175

ISBN-13: 978-0486495170

Product Dimensions: 9.6 x 6.6 x 0.8 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #742,446 in Books (See Top 100 in Books) #209 in [Books > Computers & Technology > Graphics & Design > Computer Modelling > Remote Sensing & GIS](#) #212 in [Books > Science & Math > Earth Sciences > Geography > Information Systems](#) #2250 in [Books > Engineering & Transportation > Engineering > Telecommunications & Sensors](#)

Customer Reviews

very practical introduction to inversion problems with lots of worked numerical examples and descriptions of the real problems encountered trying to apply these methods. They're almost no proofs provided, but motivations for the main theorems are included.
