# Did You Learn To Love?: The Capstone Of Bob Jones Prophetic Ministry

## Synopsis

It's the question that echoes out to all mankind for all eternity "Did You Learn To Love?" Read Bob's full descriptive story, in his own words, about his death to life experience in 1975 and God's plan for the coming harvest. Following a supernatural experience with the Lord Jesus, Bob spoke about such things as abortion and a homosexual disease, for which the devil killed him. But the Lord said, "I want you to go back to raise up my leaders and you will live to see the beginning of a billion soul harvest and the return of the glory." Bob said, "There is only one question the Lord will ask you when you stand before Him in death, "Did you learn to love?" "All the foundations of God are built on love. If you've learned to love, then you have obeyed everything God wants you to do. Love, He is our greatest pleasure. When you are in love with Jesus, He becomes your greatest pleasure." - Bob Jones

## Customer Reviews

Bob Jones had a revelation about Jesus' love, the love of God. Jesus said to him: "There is a deeper

compassion man has never understood. The Father taught Me this that day as I hung there naked. Although they mocked and spit upon Me while I was on the cross, I looked at them with love. The love of the Father is without condemnation because it is with full acceptance of the sinner's sin. He loves them with the love of His Son that was worked in Me that day. No greater Love has man than he'd give his life for his brother. That was the greatest testing of My faith." (Jones, 2015). Can God love you at your worst? Yes. He did. He proved it. Remember, Jesus did this willingly but he did not do it as God. He voluntarily laid down his omnipotence and emptied himself. He experienced the testing of the cross as a man, fully surrendered to God, filled with the Holy Spirit, but with all the emotions and attributes of a man. Even the thought of going to the cross was enough to send him into shock in the garden. He knew more than any of us what it would mean, that the Father would actually turn his back on Jesus as he hung there. Yet as he hung there, it revealed to him a new dimension of the Love of the Father as HE could express it through HIS being. Because he did this, SO CAN WE. Because he first loved us, we can love. God's nature is love. It isn't just an attribute or a personality trait. It's his nature. Therefore every action and every move he makes is based in love. Bob Jones when visiting heaven described the judgment seat of Christ. He said, "yes we could not lie so it was a judgment but it felt like love." Can we get this? I mean really get it? Jesus paved the way for us to get full revelation of this. Love each other. There's no condemnation. When you understand what Jesus did you will take your eyes off yourself long enough to truly love others. This is how we love God. Accepting his love on this scale will free you up enough to do this. It eradicates all fear of death (and every fear on some level is fear of death). Today, look to the cross. Then look to the throne. Realize what happened there. Let it wreck you. Then go change the world. Bonnie Jones, thank you for being obedient to the call to make your husband's story widely known. We are all richer for it.

One of the best books that I have read.
