Our hero Asta has started his journey to become the Wizard King! What awaits him and his companions while they protect the kingdom as Magic Knights?! Evil doers beware, no one who hurts the innocent will escape the Black Bulls mighty judgment.I am so pumped especially since Jump! is so far ahead of these chapters! Oh Oct. can't come fast enough! I'm glad that I also get to see Yuno use some more of his magic skills!

I'll be honest, black clover is no masterpiece by any extent. However, if you like Naruto and Fairy tail, it's worth checking out if you don't take it too seriously, it's just a fun read. I hope things will flesh out more and the story develops. Will be looking forward to volume 3!

Great condition! Great book! Can't wait to Finnish!

Really enjoyed this action paced volume. The only problem I have with this volume is that it ends rather abruptly. Typically it would be nice if each volume covers an arc.

I love this series. I can't wait till October 4 when the third volume is released. I like how the most powerful is the one with no magic power at all.

Great volume, good characters and just a good ol fashioned shonen.

Because I've read the first one and really enjoyed it

Really like the direction it's heading
