The score was shipped to me in a timely fashion and was individually shrink-wrapped, as advertised. It arrived in perfect condition. I paid a few extra dollars for the "Spiral-Bound Collector's Edition" which would stay open on the piano or podium. My only complaint is that the score was not technically spiral-bound. The binding was the less durable and more unwieldy claw type binding rather than the continuous spiral coil which I was expecting and prefer for quick page turns.

Great score, great printing. Soft cover.
