El Intermediario (Audio Libro / Audiolibros) (Spanish Edition)

Synopsis

FonoLibro les trae, en una magnífica producción, el audiolibro en español del más reciente éxito del famoso escritor John Grisham, autor de los bestsellers 'La Firma', 'El Informe Pelicano', 'Tiempo para Matar', 'El Rey de los Pleitos' y 'El Cliente', otros éxitos. Gracias a un indulto presidencial, Joel Backman es liberado tras seis años de confinamiento por uso indebido de una información altamente confidencial. Backman había obtenido un programa capaz de poner en peligro el sistema de vigilancia por satélite más sofisticado del mundo, cuando dirigió a un poderoso bufete de abogados, y era conocido como 'El Intermediario'. En vez de informar sobre el descubrimiento a las autoridades de su país, decidió hacer el negocio de su vida vendiendo dicha información, pero las cosas salieron mal y fue condenado por traición a veinte años de cárcel. A pesar de la gravedad del asunto, la CIA logra que Backman sea liberado mucho antes y, argumentando que son muchos los que desearían acabar con su vida, lo saca del país oculto en un avión militar. Su destino es Italia donde podrá empezar una nueva vida bajo una identidad oculta y la protección de la CIA. Sin embargo, Backman, no solo desconfía de las buenas intenciones de esta, sino que sospecha que todo pueda ser una trampa. Un emocionante thriller que aborda con realismo los intereses que mueven las altas esferas y el enorme poder que tienen las principales agencias de espionaje del mundo. Customer Reviews

John Grisham is the author of seventeen novels, including The Brethren, The Client, The Firm, A

Painted House, The Partner, The Pelican Brief, The Rainmaker, The Runaway Jury, Skipping Christmas, The Street Lawyer, and A Time to Kill. He lives in Charlottesville, Virginia.

I bought this book in Spanish for my father in-law, I read it in English some time ago. It's a very interesting read as all John Grisham's books there is always a twist, mystery, danger and lots more. A lot of this story takes place in Italy. Really great. As for the Spanish edition my In-Law also enjoyed it very much and could not stop reading. Something to add is that the book was second hand and the condition of the book was and is excellent just as described by seller.

This audio book in Spanish exceeded my expectations. Grisham's works have been translated well into Spanish and was performed by a native speaker. I'd recommend this CD set for anyone looking for legal mystery novels in Spanish to listen in the car! Este libro audio en español supero las esperanzas. La traducción está bastante buena y es leído por un hispanohablante nativo. Recomiendo este juego de CDs para quien se interese en novelas misteriosas legales.

I thought the book was quite thought provoking concerning money, politics, and how some people might go about making a living in Washington, D.C.

I read it in Spanish, it is a wonderful book with a great description of places, John Grisham's writing is very smart and entertaining

excellent product arrived on time and very good quality 100% recommended

THIS BOOK AGAIN WAS IN SPANISH. I CAN NOT READ SPANISH. I THOUGHT I CLICKED ON THE ENGLISH VERSION BUT I GOT THE SPANISH. I SENT THE BOOK BACK AND NOT HEARD ANYTHING BACK. I DON'T KNOW IF I GOT A REFUND OR NOT.

Me encantan los audio-libros porque los escucho mientras manejo, pero son difíciles de encontrar en castellano sobre novelas modernas y de reconocidos autores; éste es una grata excepción, y además: el volumen de la grabación es perfecto; la pronunciación sin ningún tipo de acento; la dicción muy clara; e intervienen diferentes locutores-actores conforme el personaje. Normalmente no se consiguen audio-libros en castellano de esta calidad tan buena y a un precio muy razonable.
