# The Given Name Of Sunshyne Carter: A Novel

## Synopsis

"Sunshyne's story will make you mad, sad, and hopeful all at once." 16 year old Sunshyne Carter was sworn to secrecy. Her stepfather was clear - no one could know anything until her 18th birthday. Or else her Mom, a.k.a Crazy, would go ballistic. But Sunshyne drops the bomb early -- and it costs her everything: Her family, her best friend, and her confidence. Life can't get any worse. Then Sunshyne meets Randy | 17 year old Randy Johnson sees right through cynical and sarcastic Sunshyne. He senses her #BlackGirlMagic instantly and wants nothing more than to get to know her better. And with his blue dreadlocks and contagious laugh, Randy is exactly the kind of guy Sunshyne needs in her life. Or is he? Stuck between the guy she loves and the mother who hates her, little by little Sunshyne is able to release the nagging shame that's been weighing her down. But the healing comes with a cost. Sunshyne has to dig deep into a web of family lies -- and she discovers that nothing is what it seems to be. Can she keep going? Or is it easier to just pretend that her life really isn't so bad?" This book is a life affirming tear-jerker."

## Customer Reviews

I really enjoyed this book Aysha Ives. You have a New Fan I look forward to reading more of your books

This is a non book but it really scared me. I never knew how cruel life was . I am fine now

Tough subject matter, but so well done! The descriptions weren't overly graphic and yet clearly conveyed the appropriate context and tone. Many of the aspects Aysha explored in Sunshine's recovery were things readers could find useful in real life.

What an awesome read....definitely made me mad, sad but smile at times. Looking forward to reading more of Aysha's work!

I just finished reading this and all I can say is wow! This author has an amazing way with words and made Sunshyne come to life... it's an amazing story with such a touching and serious storyline. I definitely recommend this book to anyone. Especially anyone who has ever dealt with any type of abuse. This story was not rushed at all... and it wasn't slow either. It was perfect... just right to let it all sink in and even help someone who maybe going through abuse themselves or know anyone who has been abused...

This book kept my attention all throughout the book. It really make you take a look at your own insecurities and learn not to let your past dictate who you become in the future. AWESOME READ

I couldn't put this book down. Sad story but also one of courage. This story happens too often in our world these days.

Great book loved it!!
