Power Places Of Kathmandu: Hindu & Buddhist Holy Sites In The Sacred Valley Of Nepal

Synopsis

Award-winning photographer Kevin Bubriski captures in stunning detail the sacred places of Nepal's Kathmandu Valley. Noted scholar Keith Dowman provides history and commentary on the significance of the sites. --This text refers to an alternate Hardcover edition.

Beyond expectations; A treasure considering the devastation during the last earthquake. I was fortunate to visit Nepal in 2001 and to trek to Lhasa. Namastê ©. Patris

Not only a large format book of gorgeous photography but the text is worthwhile as well. All who saw Kathmandu back in the day before it got over-commercialized will love this book. I did miss seeing a photograph of the towering evergreen- decorated "chariots" of Macchendranath.

It helped me to remember my later brother-in-law Martin Etter. It was a part of the world he lived in before he entered our lives. The photos were amazing they showed a world greatly different then

New England it great to open yourself up to these lifes and beliefs that are different.

I came upon this book in 2014, 32 years after I had lived in Kathmandu. These photos convey the grit, beauty, and madness of the place. It awakened memories I didn't know I had, memories that have kept me coming back to the Himalaya all of these years.

some great photography, which is really only why I bought this book. plenty of text which I didnt really read. could have done with more photos. worth having.
