Bali & Lombok Tuttle Travel Pack: Your Guide To Bali & Lombok's Best Sights For Every Budget (Travel Guide & Map)

Synopsis

The only guide you'll need for getting around Bali & Lombok. Everything you need is in this one convenient package – including a large pull-out map! Bali & Lombok Tuttle Travel Pack is your passport to an unforgettable journey to Asia's favorite tropical islands. Author Paul Greenway is a seasoned travel writer and frequent visitor to these islands, and he recommends the very best places and activities – from the dramatic cliff-top temple at Ulu Watu with its entrancing Barong dance, to the cool highland lakes of Bratan and Bedugul with their hot springs and lush greenery, to the trendy beach resorts and boutiques of Seminyak, the idyllic beaches of the Gili Islands off Lombok. This travel guide includes: Bali & Lombok's top sights and activities, from the famous Tanah Lot temple on Bali's southern coast to Ubud's Sarawasti Palace, where the best traditional dances are performed. A series of 2-day and 3-day excursions covering each major region of these islands, with a series of personalized guided tours covering all the most important sights and temples. Personal recommendations by the author for the best services and facilities on Bali and Lombok – the best hotels and resorts; the best shopping and restaurants; the best outdoor activities and traditional performances; the best kid-friendly activities and beaches; and more. Easy-to-use and easy-to-carry, this Bali travel guide is packed with fascinating information, handy lists, useful maps and photographs, and tips on how to make the most of your stay with limited time. The author provides pointers on getting around, basic Indonesian phrases, tips on temple ceremonies and etiquette, and essential travel facts (getting a visa, changing money, where to find the best hotels, food, beaches, and shopping). Extraordinarily useful and well thought-out, Bali & Lombok Tuttle Travel Pack contains a large pull-out map at the back, making it your complete travel companion for an exciting journey of discovery.

Customer Reviews

"These books cover the touristy sites that you don't want to miss, but they also detail some of the more hidden spots. These travel books are easy to carry around and aren't loaded with a lot of information that I don't need. I also like that both guidebooks come with very detailed folded maps in the back. This makes getting around so much easier." — This Way to Paradise blog
"The author leverages his long familiarity with Bali throughout the book, something that's most apparent in Chapter 3 and his personal recommendations; you can't get a better first-timer's guide to Bali, considering its carefully curated picks of value-for-money activities and accommodations."

— Michael Aquino, About.com Travel

I was delighted Tuttle offered me the chance to again write about my favourite part of the world. I wrote an edition of Bali & Lombok for Lonely Planet and my first novel, Bali & Oates (JoJo, Melbourne, 2013), is also based there. The Travel Pack covers all the popular and well-known places, such as Kuta, Sanur and Lovina, and also details some of the island's hidden gems, such as Pasir Putih (arguably the best beach on Bali) and Bedugul, a water-sports site on Lake Bratan developed entirely for Indonesian (not western) tourists. Also included are unique activities on Bali and Lombok such as luxuriating at hot springs inside a caldera at Gunung Batur; cycling around the car-free Nusa Lembongan island; and strolls through rice-fields minutes from central Ubud.

This may not be a famous name book series, but it's by far the best travel guide to Bali. It tells you just what you need to know, gives fantastic recommendations, talks about the real-world experiences, not just flowery tourist material, has great maps and wonderful photography. What more could you ask for? Oh, a free fold-out map in huge back! This isn't a thick book, and just gives a brief overview of things like history and religion, so if you're looking for that, there are other books that cover that. But if you want to know where to go, what to see (including off the beaten path places), where to eat, and how to get around, this book is for you. I've read all of the guides on Bali and this is my highest recommendation.

This is essentially a worthless guide to Bali and Lombok in my opinion. This was written for someone on a short, expensive trip to Bali or Lombok. I'm a traveler, not someone looking for touristy trappings. Now I know why this book was so CHEAP. It's priced at its value.

Good information including an assortment of color pictures. Not quite as compact as some of the books labeled as "best" sights or highlights but still reasonable size to tuck into my carry-on. Looks like it will be helpful in deciding our "must do" list of things to see and do.

well done travel book!

Used it in Bali for 3 weeks. Good resources.

Nice guide.

Unfortunately did not find this book helpful at all on my recent trip. The writer spends too much time expressing his own opinions (mostly negative) instead of presenting the options Bali has to offer and allowing the reader to decide what suits them most. For example, the word "sterile" is used repeated to describe the Nusa Dua area, and this is not exactly inviting for a traveler excited to explore the destination. I would not recommend this product.

I highly recommend this book. It provides a useful insight into Bali and will help steer you to real Bali experiences. With this book you will get a feel for the people and culture of Bali and can chart your own tour of the island staying at whatever level of comfort you choose. I found the book just the right size - you don't need a massive book for this small island, but a guidebook of this kind will help you get the most out of your trip.
