Fraternize (Players Game)

Synopsis

New York Times bestselling author Rachel Van Dyken kicks off a brand-new series in which romance is a game and love is a touchdown. Emerson just made her dream come true as a professional cheerleader for her favorite pro football team. But even though the plus-size athlete is breaking down boundaries, she still has to contend with the massive rulebook. Carbs? Nope. Chocolate? Definitely not. Still, Emerson loves her curves, and she'll rock the hell out of this job even if it kills her. Except for one mandate that is easier read than done: No fraternizing with the players. Problem one is Miller Quinton: Emerson's first love, first sex, and the guy who still ignites her daydreams and R-rated fantasies. Thrown back together, Miller and Emerson feel the undeniable pull of passion again, even if the conflict that tore them apart seems insurmountable. Then there's way-too-sexy Grant Sanchez. He has a serious reputation with the ladies, and when it comes to winning someone he wants, he doesn't let anyone stand in his way. Now Emerson is breaking every rule in the manual. But what she doesn't know is that she's part of a wicked little game—one that could steal both her dream and her heart.

“Van Dyken has brought her A game to the first book in her new series. Fraternize is a witty and sexy read. A perfect combination of funny, laugh-out-loud moments and hot, steamy ones. • RT Book Reviews “Van Dyken (Cheater's Regret)

crafts a strong romance....The actual progress toward a happily-ever-after for two of the three members of this love triangle is delightful. [Publishers Weekly](#)

Whether they're Regency romance or sexy New Adult fiction, Rachel Van Dyken's novels have appeared on national bestseller lists, including the New York Times, the Wall Street Journal, and USA Today. She writes a lot but makes sure she takes time to enjoy the finer things in life, like strong coffee, watching *The Bachelor*, and dreaming up hot new hunks. Rachel may get way too excited about the little things, but she loves the important things in life, too like living in Idaho with her husband, son, and two boxers.
