Today's Embrace

Synopsis

She gambled with her husband's trust. At stake is everything. Evy Varley's marriage to Rogan Chantry is all she had hoped it would be until she finds out that she is pregnant with a honeymoon baby. Fearing that Rogan won't allow her to travel while she is expecting, Evy plots to keep her pregnancy secret in order to accompany him to South Africa. Her thoughts are not only for her husband, but Evy is determined to travel to Bulawayo, the new mission station of Dr. Jakob van Buren the one man who can help Evy to finally clear her mother's name. After she and Rogan set out to sea, however, Evy discovers that she has gone too far in her deceit, and the damage to her marriage may be irreversible. Matters only worsen in Africa, where malaria, murder, and an African uprising all take their toll and where Rogan and Evy must fight not only for their love, but also for their very lives. Customer Reviews

I really enjoyed this series very much. I was glad that I could purchase all three books in this series

so I didn't have a gap in reading. This is my first time getting acquainted with this author and I would recommend these books to anyone who is looking for a mix of history and Christian view reading. Excellent!

After reading the other two books in this series, I could not wait for the third installment. I was not disappointed. It provided me with a detailed look into married life as God wants it, and the conflicts that arose between Evy and Rogan by not following God's will. I enjoyed the fast pace of everything that has happened so far culminating in South Africa and how my knowledge of each character was enriched. The story is not sugar-coated and light. I would recommend this to anyone interested in romance, history of South Africa, and an understanding of God's loving will in our lives.

Found the series very interesting since my grandfather who was from England had been to the Gold Coast and actually had my grandmother's wedding ring made from gold and gems from South Africa. Quite an interesting story line as well. Interesting to see how Christianity was woven throughout the series.

Wonderful Story to complete my set of 3. The only problem was I couldn't get it sent direct to New Zealand. This is something you should think about. Ended up going through my family in America, which not everyone can do. The condition of the book was exactly as described. I have purchased a lot of books from and feel it's a great way to buy them. Thanks once again. Just think about direct postage for us in Kiwiland!

I really enjoyed the book.

I received this in good time and it was a good read.

Had to catch up after reading the first 2 volumes of this set. Chaikin writes about the mysterious and exotic in her novels and keeps you interested in the lives of those she writes about.

Great story of families, Africa history in that area.
