This book helped me to pass the Written Exam. I answered all questions in the entire book once and then followed up on chapters that needed more attention. Using this alone to study, I passed the written portion in CO. Worth it!

Was what we needed

Well written and easy to use. Follows along with the textbook. This is going to be useful for many years to come.

Greta book if you're studying to get your esthetician license.

passed my test!!!!

required book for aesthetics, just already filled out so I had to work around it, the description from the seller about how written and used it is was misleading

Very good

The Best!!!! Highly recommended buying this book if you want to pass the stateboard examination
