The Baptist Confession Of Faith 1689 (Pocket Puritans)

Synopsis

Put forth by the elders and brethren of many congregations of Christians (baptized upon profession of their faith) in London and the country. With the heart man believeth unto righteousness, and with the mouth confession is made unto salvation, Rom.10:10. This Confession was first printed in London for Benjamin Harris, to be sold at his shop at the Stationers Arms in Sweetings Rents, in Cornhill, near the Royal Exchange, 1677. Only minor alterations to spelling, punctuation and proof texts have been made by the editors of this Pocket Puritan gift edition. This little volume is not issued as an authoritative rule, or code of faith, whereby you are to be fettered, but as an assistance to you in controversy, a confirmation in faith, and a means of edification in righteousness.' C. H. SPURGEON

Customer Reviews

As a confessional Reformed Baptist pastor I own about 4 different editions of this confession, but this has become my very favorite. The handy size and the soft leather binding are a fitting tribute to this time tested and proven confession of the faith once for all delivered to the saints!

Great for carrying to work, taking on trips, and etc. This was the Baptist Confession of Faith used by "The Prince of Preachers", Charles Haddon Spurgeon, and makes for a great devotional work along with Spurgeon's "Morning and Evening". For those who want "Keach's" Baptist Catechism also, Solid Ground Books publishes the Baptist Catechism and this Confession of Faith together. This is

the Second London Baptist Confession of Faith. Some sources report it was available privately in 1677. It is based on the Westminster Confession of Faith (1646) and the Savoy Declaration. Banner of Truth also offers the Westminster Confession in its Pocket Puritan Series. Every Baptist who believes in the doctrines of grace, as well as those who want to learn what Strict and Particular Baptists believed then and now would find this edition useful in their studies.

Great little pocket sized copy of the 1689 confession. Love having it so accessible. No commentary though, so don't expect that. Carried it around in my book bag since I've had it and it's held up!

This book is very nice. The quality of the binding is down, so it doesn't get better than that. Tough cover as well.

Attractive. Portable. Easy to read.

very good. little bit high on price.

a great piece of biblical teaching

Awesome! Truly bible centered. I love the LBC 1689. Always turning to it as I read thru the bible. Confessional faith is what we are called to that we may know in who we believe, what we believe, and why we believe it.
