Shadow ain't worth a damn! I hate how things ended because so many problems came about all because of greed. The way Q and Sade met was very interesting because neither backed down from the other. Romello truly thinks he's that dude and Camari had to learn the hard way that the ones she got over on are the very ones she needs now. Sade's dad is sorry and he pissed me off how he constantly talked to her. Lamar was foul but I'm hoping he proves to Q he still has his back. Mimi needs to learn to take a hint and I do believe Sade helped with that. Jayda was a mess but she was a genuine friend although she felt she had to be secretive with Sade. I wish things were different for Kai but things happen. Hopefully Q will take heed to what Arlo said about wanting more out of life especially since he's found the one.

Its always great to read a book by two great authors! This was a goooooood book, I enjoyed reading it true page turner...I was literally getting mad at Jayda cuz it was like how like one guy then just meet a guy and sleep with like it ain't nothing and on top of that she in love with an nothing ole negro ughh but u know it's women like her in her real life though... i see right now Q & Sade is going to be a beautiful couple even though they bout to go thru some humps first... I can't wait for part two!! I hope it'll be out soon

OMG I need Part 2 ASAP! Please and Thank You! I must know what happened next. That ending just left me all anxious and anticipating part 2

Very fast paced and a page turner! Can't wait for part 2 .. The way it ended got me wanting more LOL

Wow I loved this story it was amazing.... Sade meet her match with Q..they both were made for each other they balance each other out....Freddy and Sade dad needs to go like what kinda father talks to there daughter like that and that damn brother of hers gonna feel dumb when he finds out he hurt his own sister..that's mess up what happened to Q little sister I felt bad for him.. Q babymama is getting what she deserve for walking out on her son and being a conniving and self woman.. I can't wait for part 2 to see what happened to Sade and the rest of the gang

I loved this book ! I can't wait for part 2 :("Q")Was definitely bae ...i hope sade and the baby make it ! That damn shadow what did he expect ?? He was disrespectful as IDNW.I hope sade don't be too mad at jada when she find out about her and her brother. I don't no why they hid it honestly though that was dumb smh And Lamar.....he a good dude but that was crutty what he was going with Q baby momma that's why that happened to him ,I can't wait to that come out ! And she just need to DIE!

If you have never read a book by Jade or Pebbles, then you are really missing out. As usual, they don't disappoint. This is a must read. The twists and turns will have you anxiously turning the pages. I started reading last night, and I didn't stop until I saw the to be continued. Then I got mad, because I was wanting the rest of the story. Q is Bae and a Boss. Sade better watch out before I take her man. LOL! I can't wait to get part 2. Great job ladies.

Gotta say this was another love story. Not sure how things will end for them but its some secrets that will be revealed that are going to cause problems. Sade and her brother Shadow have some issues since their mom was killed. Not sure how Shadow will feel once he see what has happened to his sister. Will he be able to live with himself and will she forgive him? Jayde and LaMar finally do things together. Will she tell Sade about things that happened with Shadow? Q has finally found love and will his baby mama cause problems for them. I like Sade and Q. She is happy with him & he seems to be happier and dont have an attitude all the time. Ready for part 2 to see how things will go for Sade.
