Student Activities Manual For Makino's Nakama 1A

Synopsis

Designed to reinforce the association of sound, syntax, and meaning, the SAM includes out-of-class practice of the material presented in the textbook. The Workbook section focuses on written vocabulary, grammar, kanji and writing practice. The Lab Manual section focuses on pronunciation and listening comprehension, including Dict-a-Conversation dictation activities.

Customer Reviews

Seiichi Makino received his Ph.D. in linguistics in 1968 from the University of Illinois at Urbana-Champaign. He is an internationally prominent Japanese linguist and scholar who is recognized throughout the world for his scholarship and for his many publications. Before beginning his tenure at Princeton University in 1991, he taught Japanese language, linguistics, and culture at the University of Illinois while training lower division language coordinators. He is an experienced ACTFL oral proficiency trainer in Japanese and frequently trains Japanese instructors internationally in proficiency-oriented instruction and in the administration of the Oral Proficiency Interview. Professor Makino has been the Academic Director of the Japanese Pedagogy M.A. Summer Program at Columbia University since 1996. He also directs the Princeton-in-Ishikawa Summer Program. In 2014, the Japanese government honored Dr. Seiichi Makino with a decoration: The Order of the Sacred Treasure, Gold Rays with Neck Ribbon, for his outstanding contributions in the mutual academic exchanges between Japan and the United States and the development of Japanese language education.

The book is very good for entry level Japanese. It helped me with learning how to write hiragana and katakana. It also gives you a good amount of easy and challenging practice problems to help with the learning process. The book does a fine job of explaining what to do without giving you the answer. Overall this book is a highly recommendation to learning Japanese. Combined with its other book Nakama 1a, you should be able to learn Japanese in a consistent pace.

Had to buy this for a college course, Now that I look back at it the required book I got this for a while ago both suck. I feel like like they leave alot of important foundations to learning the language out. Keeping this review short shipping gets 5/5 the book itself because its required along with this Activity book deserve a 3 at the most.

Needed this for class. It was a great workbook for learning and practicing Japanese.

Great for College Course as Requested! especially price for a freshman in college!

good teaching aid

Good, clean copy. The exercises are quite helpful.

A pricey, but great condition & complete.

This book is only useful if u purchase the other Nakama 1A textbook to go along with it. Hoping this and the Nakama 1A textbook will make me better at Japanese in writing, and speaking than before.
